

Central Coast Ukulele Festival 2024 Performers Application Form

Aloha to all!

The Central Coast Ukulele club are proud to present to you our Central Coast Ukulele festival back at the Diggers at The Entrance

We are planning a fun Ukulele Festival back at the Diggers who have kindly come forward and offered their entire club for our special event again.

This will be a ticketed event for all and as much as we have been trying to keep it a free event the current financial situation has impacted us all. We will however provide you with a top-class venue and great entertainment at the refurbished Diggers.

The Central Coast Ukulele Festival has always been a popular community event with live music, workshops an all-in ukulele jam and sing-along, live ukulele groups and acts, raffles, merchandise tables, markets stalls and more.

Planning is in line with COVID restrictions and regulations.

When: September 20 – 22 2024

Where: Diggers at The Entrance
Central Coast Hwy
Long Jetty

This is a ticketed event and you may purchase your tickets online at:-
